

Gwinnett Chamber

2022 ANNUAL
REPORT

Mission

The mission of the Gwinnett Chamber is to champion business.

Vision

The Gwinnett Chamber will be the leading advocate and innovative resource for businesses to connect and thrive.

2022: 75 Years. 5 Stars. 1 Exceptional Organization.

The Gwinnett Chamber champions business and this year only served to propel that mission to a new level of expectation. After 75 years in business, the Gwinnett Chamber now boasts the most diverse board of directors in its history. We held our second annual Multi-Chamber Mixer with more than a dozen bi-lateral chamber partners, continued to champion women leadership through the MOXIE Awards that recognized 100 finalists across 10 categories, and honored Gwinnett's 35-Under-35 young professionals at the Gwinnett Young Professionals (GYP) "TheYParty" event. The community and economic development initiative, Partnership Gwinnett, reported its most successful year yet with 3,854 new jobs representing \$149.3M in private capital investment. And the culminating achievement for 2022 was earning our first-ever, 5-Star Accreditation rating from the U.S. Chamber of Commerce, placing us in the top one percent of all chambers in the nation.

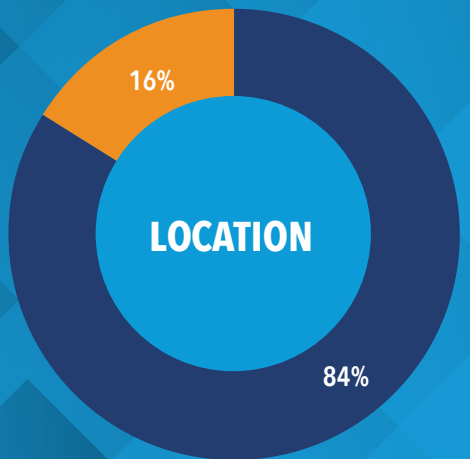

We appreciate our members, investors, and partners who worked hard to champion business with us and made 2022 a true gem of a 'diamond anniversary' year for the Gwinnett Chamber.

Inclusion

FOUNDATION

The Gwinnett Chamber Foundation was established in 2022 to advance equitable and inclusive business education and business leadership development through programming and grant-making to all eligible business organizations.

MULTI-CHAMBER MIXER

The Chamber worked in partnership with thirteen other strategic business organizations to host the second annual Multi-Chamber Mixer. The event also featured a wide range of authentic global cuisine from 16 Gwinnett-based restaurateurs.

DEI SUMMIT

Speakers addressed talent and business trends around Gwinnett's 81% diversity index. Aisha DeBerry, DEI Manager for Gas South moderated the panels and District 4 Commissioner Marlene Fosque delivered the closing address.

YOUNG PROFESSIONALS

GYP held 42 events in 2022 hosting more than 1,150 engaged participants for programs like Journey Leadership Institute, TheYParty 35-Under-35, Off the Clock, and our ongoing Grow/Impact/Connect events.

5-Star Accreditation

The Gwinnett Chamber earned its Five-Star Accreditation from the U.S. Chamber of Commerce. This designation is a “first” for the Gwinnett Chamber and was awarded for the organization’s sound policies, effective procedures, and positive impact in the community.

The Gwinnett Chamber worked through a six-month process to complete a 200-plus page application measuring organizational activity across nine different areas. Of the 7,000-plus chambers of commerce across the nation, only 201 are accredited and even fewer have received Five-Star status. The Gwinnett Chamber ranks among the top one percent of those who have achieved Five-Star Accreditation.
